Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Wines of Italy The tourist who has visited Italy and admired her natural and artistic beauties and her famous monuments, will doubtless have tasted some of the many choice wines grown in the country. He will probably have a pleasant recollection of them and will look back with pleasure to the happy days spent in this land of beauty with its wealth of flowers and fruit, where the vine has been cultivated for thousands of years. In every part of Italy, from Piedmont, Lombardy, Liguria, TrentinoAlto Adige, Venetia and Emilia, which form the Northern section, to Tuscany, the Marche, Umbria, the Abruzzi, and Latium which form the central part, down through the Southern districts of Campania, Apulia, Lucania, Calabria, and the islands of Sicily and Sardinia, wines are produced of types as various and with organoleptic properties as different as are the geological composition of the soils and the exposure of the land on which the vines grow. Indeed, Italian wines are so numerous that the most fastidious tastes can be satisfied and the most refined requirements met. Not only does the extent of the area planted to vines place Italy at the head of the wine producing countries, but she is ahead of all others for the great variety of her production. The excellent quality of Italian wines, many of which have been exported for centuries to the most distant markets, enables them to travel well, for they are made from grapes which, under the beneficent influence of the mild Mediterranean climate, have ripened to perfection, and they have been carefully prepared by methods slowly perfected by age-long experience. Moreover, special regulations ensure a...
