

## A Description of the Differential Expansive Pumping Engine, Giving Practical Examples of Engines at Work, and a List of Some of the Engines Already Made, with Useful Notes and Formula for Pumps and

### Book Review

This book is definitely not effortless to start on reading through but extremely fun to learn. Better than never, though I am quite late in starting reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.  
(Aliya Franecki)
