Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

WHAT YOU DONT KNOW

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 146 pages. Dimensions: 8.0in. x 5.2in. x 0.4in. Everyone has questionable pasts theyd rather no one knew about and such is the case for best friends- Cat, Liz, Celeste, Tangie, and Vanessa. If they had their way, their shocking and dishonorable pasts would stay buried deep beneath the innocent but misguided smiles. They all have scandalous and shameful things lingering in their pasts and soon theyll find out the apple hasnt fallen too far from the tree. Not only are they battling their own demons, but also those from generations past and theyll soon run smack dab into the hidden, less than desirable pasts of their parents. The threat of exposure sends everyone scrambling for secrecy as questions arise concerning their dark family histories. Everyone struggles to keep their skeletons in the closet, but apart from acknowledging and exposing the secrets, repetition is inevitable and the generations to come are destined for destruction. What they dont know can not only hurt them, but it can kill them. This item ships from La Vergne, TN. Paperback.
