FABULOUS PAPER FOLDS: WITH INSTRUCTOR SHARON M. REINHART

Annie s Attic, United States, 2014. DVD video. Book Condition: New. 190 x 133 mm. Language: English . Brand New Book. Learn how to make dozens of exquisite paper folds such as tea bag folds, iris folds, and specialty folds in this creative card-making class taught by folding expert Sharon M. Reinhart. In this exclusive Annie s class DVD, card makers and paper crafters will explore the traditional art of tea-bag folding using small squares and circles of paper which are then assembled into medallion or rosette shapes; learn the joys of iris folding, which originated as a technique in Holland, in which colorful strips of paper, ribbon, or even fabric are layered in a spiral design that resembles the iris or an eye of camera; and discover how to make a useful pocket fold, a dimensional accordion fold rosette, an exquisite dahlia flower fold, and an origami butterfly fold. This class covers techniques that are perfectly suited for card making, scrapbooking, packaging, and even home decor. Since this video class starts with basic paper folds and progresses into more involved ones, beginners and more experienced crafters alike easily learn and master many new folds. Plus, this DVD also includes step-by-step instructions on an accompanying CD to create 16 beautiful cards for special occasions throughout the year. Card projects include seven tea-bag fold cards, four iris-fold cards, and five cards made with fun folds including a pocket fold, a dahlia fold, an origami butterfly, and a rosette. Supplies needed to complete the projects are text-weight paper, patterned paper, cardstock, ink pads, stamps, embellishments, adhesives, cutting tools, and general paper-crafting supplies.
