Reviews

Complete guideline! Its such a excellent read. This really is for all who statte there had not been a worth studying. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Timothy Lynch)

DON'T LOOK BEHIND YOU!: A SAFARI GUIDE'S ENCOUNTERS WITH RAVENOUS LIONS, STAMPEDING ELEPHANTS, AND LOVESICK RHINOS

Rowman & Littlefield. Paperback. Book Condition: new. BRAND NEW, Don't Look Behind You!: A Safari Guide's Encounters with Ravenous Lions, Stamping Elephants, and Lovesick Rhinos, Peter Allison, Incredible true tales from a world-renowned safari guide and celebrated author Romantic notions aside, being a safari guide isn't always particularly enjoyable or glamorous. Quite often it is beset with challenges, like having to spend a night in a thorn tree with marauding hyenas below. But safari guide Peter Allison lives for such moments. Here, the author of the widely praised *Whatever You Do, Don't Run* details his time spent in safari camps not only in Botswana but also in South Africa, Mozambique, and Namibia-places he loves, despite how much it feels like they might just be trying to kill him. In *Don't Look Behind You*, Allison recounts adventures few would live to tell. Like the time he and a group of bored guides launched a makeshift raft into a foaming, flooded river teeming with hippos and crocodiles. Or the afternoon he heard monkeys telling him that a leopard was walking around the camp, and then realized the leopard was in his tent, with him in it. In addition to relating his encounters with animals, Allison shares the stories of those tourists who have long been pushing him toward early retirement. Normally respectful of all his fellow creatures no matter how many feet they have, Allison fantasizes about leaving one in particular behind on the Skeleton Coast, a place that receives less than half an inch of rain a year, and is patrolled by lions and hyenas. Join Peter Allison for another riveting, rollicking, behind-the-scenes dose of everyone's dream experience-going on safari-and come through amazed but, thankfully, without a scratch.
