Reviews

*This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).

HOW TO SCHOOL YOUR SCOUNDREL (PAPERBACK)

BERKLEY SENSATION, United States, 2014. Paperback. Condition: New. Reissue. Language: English . Brand New Book. Three intrepid princesses find themselves targets in a deadly plot against the crown--until their uncle devises a brilliant plan to keep them safe. Princess Luisa has devoted her life to duty, quietly preparing to succeed her father as ruler. Nothing, however, primed her to live on the run, disguised as a personal secretary to a notorious English scoundrel. The earl is just the man to help her reclaim her throne, but Luisa is drawn to her powerful employer in ways she never imagined. Philip, Earl of Somerton, has spent six years married to a woman in love with another man--he refuses to become a fool due to imprudent emotions ever again. Only, as his carefully laid plans for vengeance falter, fate hands him hope for redemption in the form of a beautiful and determined young princess who draws him into a risky game of secrets, seduction, and betrayal. And while his cunning may be enough to save her life, nothing can save him from losing his heart.
