Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Congratulations! You ve found The Ultimate Travel Guide To Istanbul. Why You Need Lost Travelers First we would like to thank you for considering Lost Travelers as your guide book. Allow us to explain our beginnings, and the reason we created Lost Travelers. Lost Travelers was created due to one simple problem that other guides on the market did not solve; loss of time. Considering it s the 21st century and everything is available on the internet why do we still purchase guidebooks? To save us time! That s right. Since the goal is to be efficient and save time, we did not understand why there are several guidebooks on the market that are of 500 to 1000 page long. We do not believe one needs that much bluff to get an overview of the location and some remarkable suggestions. Considering many guidebooks on the market are filled with suggestions that were sponsored for, we have decided to take a different approach and provide our travelers with an honest opinion and decline any sort of sponsorship. This simply allows us to cut off any nonsense and create our guides the Lost Travelers style. Our mission is simple; to create an easy to follow guide book that outlines the best of activities to do in our limited time at the destination. This easily saves you your most valuable asset; your time. You no longer need to spend hours looking through a massive book, or spend hours searching for information on the internet as we have completed the whole process for you. The best part is we provide you our e-guides for one third the price of the leading brand, and...
