Reviews

This type of ebook is every little thing and made me looking ahead of time and more. It is among the most amazing book i actually have read through. Its been designed in an exceptionally simple way in fact it is simply soon after i finished reading through this pdf in which actually transformed me, change the way i believe.

GEMS FROM GEORGE ELIOT (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Mary Ann Evans (1819-1880), known by her pen name George Eliot, was an English novelist, poet, journalist, translator and one of the leading writers of the Victorian era. She is the author of seven novels, including Adam Bede (1859), The Mill on the Floss (1860), Silas Marner (1861), Felix Holt, the Radical (1866), Middlemarch (1871-72), and Daniel Deronda (1876), most of which are set in provincial England and known for their realism and psychological insight. She used a male pen name, she said, to ensure that her works would be taken seriously. Female authors were published under their own names during Eliot's life, but she wanted to escape the stereotype of women writing only lighthearted romances. She also wished to have her fiction judged separately from her already extensive and widely known work as an editor and critic.
