THE INVENTION OF SOLITUDE (PAPERBACK)

FABER FABER, United Kingdom, 2012. Paperback. Condition: New. Open Market - Airside ed. Language: English . Brand New Book. One day there is life . . . And then, suddenly, it happens there is death. So begins Paul Auster s moving and personal meditation on fatherhood, The Invention of Solitude. The first section, Portrait of an Invisible Man , reveals Auster s memories and feelings after the death of his father. In The Book of Memory the perspective shifts to Auster s role as a father. The narrator, A. , contemplates his separation from his son, his dying grandfather and the solitary nature of writing and story-telling. With all the keen literary intelligence familiar from The New York Trilogy or Sunset Park, Paul Auster crafts an intensely intimate work from a ground-breaking combination of introspection, meditation and biography.
