Sellers Publishing, Incorporated, United States, 2014. Hardback. Book Condition: New. 137 x 130 mm. Language: English . Brand New Book. First Lady Rosalynn Carter once said, There are four kinds of people in the world those who have been caregivers, those who are currently caregivers, those who will be caregivers, and those who will need caregivers. Caregiving is the ultimate act of love. But even though taking care of another person can be spiritually rewarding, it can be challenging as well. Family members are often thrust into the role of home caregivers to spouses, partners, parents, or children for years they are the backbone of the at-home healthcare system. The Compassionate Heart is a book that recognizes that those who selflessly tend to others need to also take care of themselves. The book offers uplifting words of encouragement, support, and understanding paired with the inspirational art of Robin Pickens. It is the perfect gift to give to caregivers to show them they are not alone, and that they are appreciated by others who sympathize with their situation.
