

Africa s Challenge to International Relations Theory (Paperback)

Filesize: 5.42 MB

Reviews

Unquestionably, this is actually the very best job by any article writer. I have read and that i am certain that i am going to planning to go through once again once more in the foreseeable future. I realized this publication from my i and dad advised this pdf to find out.

Palgrave MacMillan, United Kingdom, 2013. Paperback. Condition: New. 2001 ed.. Language: English . Brand New Book. Africa has been noticeably absent in international relations theory. This new collection of essays by contemporary Africanists convincingly demonstrates the importance of the continent to every theoretical approach in international relations. This collection breaks new ground in how we think about both international relations and Africa, re-examining such foundational concepts as sovereignty, the state, and power; critically investigating the salience of realism, neo-liberalism, liberalism in Africa, and providing new thinking about regionalism, security and identity.
