Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Undesirable Results of German Social Legislation In the literature of all countries, this question always returns: How far may the freedom of movement of the individual, his spirit of enterprise, his independence and sense of personal responsibility, how far may and should these sacred powers be restricted out of a proper regard for the interests of the whole body of the people? The philosopher, the politician, the clergyman and the technical man, all these are thinking of and discussing this question. But no one has determined with absolute certainty the point at which legislation in the interests of society as a whole should stop. Nor will anyone ever be in a position to do this, inasmuch as every period has its own peculiar requirements. For history reveals to us a changing struggle between the individual and society in an organized form; the individual contending first with the city commonwealth, then with the guild, again with the four estates and lastly with the socialistic community. We realize that this contest between individualistic and socialistic ideals has been an impelling force in the history of the world, perhaps the greatest impelling force. We recognize the highly beneficial effect of the guilds during the period in which they arose and thrive, of this ironclad form of organization, to which the former glory of German cities was due. But we also know that later, when it was necessary to bring about a new arrangement, men of strong personality burst the fetters of the guild system, and that those countries made the fastest progress in which the individual struck out most freely and boldly into untrodden paths. Thus does history...
