Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Abbygayle hasn't had a good life so far. The little puppy's been abandoned, hit by a car, and now lies alone in a dirty field. She's scared and hurt, and desperately needs someone to love and care for her. Help arrives when a young boy finds Abbygayle, and asks his family if they can look after her. They take Abbygayle home, but they don't think she can stay. After all, they already have two dogs, so they decide to just help her until she gets better. That's the plan anyway, but Abbygayle has other ideas. She's found the family she loves, and she's pretty sure they won't say no to the question in her big, beautiful puppy-dog eyes-Can I stay? Please? Abbygayle's true story describes the events surrounding one family's discovery of an injured dog, and how she became part of their lives. Both an entertaining bedtime read and an ideal starter book for young readers, Abbygayle Finds a Home is sure to capture your heart.
