Alfred Music, 1971. Paperback. Condition: New. Language: English . Brand New Book. An excellent follow-up to Kohler's 12 Easy Studies, these twenty etudes continue to develop finger dexterity through broken-chord and scalar passagework. Emphasizing traditional harmonies, the works also include a variety of articulations and dynamic contrasts. Reminiscent of the easier Czerny exercises, these one- and two-page studies are easily learned by intermediate-level pianists.
