CLASSROOM TEACHING: METHODS AND PRACTICES

APH Publishing Corporation, 2009. Hardcover. Book Condition: New. First edition. The primary Purpose of schooling, which is only one of the institutional influences in a person's education, is to assist the individual to better develop his or her full potential as well as to develop the knowledge, attitudes, and skills to interact with the Environment in a successful manner. The educational expansion, universalisation of Elementary education, vocationalisation of secondary education, Higher and Professional Education and overall quality of education are...
