Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Lulu.com, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In 2002 I visited North Korea as a tourist. The week-long tour took me to the nation s capital of Pyongyang, into the countryside and to the heavily-fortified border with South Korea. This travelogue recounts my encounters and experiences and puts them into context with background on the history and politics of the Korean peninsula. A good read for those interested in North Korea, geo-politics, dark tourism or first-hand travel accounts. fascinating, and sometimes darkly hilarious -- Aidan Foster-Carter, Korea Consultant.
