Palliative care services

LAP Lambert Academic Publishing Okt 2013, 2013. Taschenbuch. Book Condition: Neu. 220x150x4 mm. Neuware - The book contains a research study about the need for counselling specialists working in palliative care centres. The stress factors affecting the nurses employed by the palliative care centres are of the same type and even though there are several forms of support or coping strategies used by the specialists, they cannot completely be eliminated; they could only be reduced or prevented, because they pertain...
