Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Read this book as art. Stoner stereotypes aside, this is actually quite the intelligent collection of words and images and when used as directed this book may very well increase your level of intelligence, spirituality and awareness. And, rumor has it, hidden in these pages is literally, the meaning of life. Which makes you wonder, if this book contains the secret to life...
