

Poems for Hard Times (Paperback)

By Opher Goodwin

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This volume was largely written at the end of 2016 and on into 2017 so it is overshadowed by the scourge of Brexit and Trump. Some of the poems reflect that. For me overpopulation and the wanton destruction of nature are the two compelling drivers. I perceive that we are destroying the planet and it grieves me. I want some sanity and a universal approach to dealing with poverty, overpopulation, environmental degradation and pollution. Something has to happen fast or it will be too late. Both Brexit and Trump seem to me to be quantum leaps backwards in this regard. They represent insular, narrow nationalistic attitudes based on fear and hatred that are the opposite of the ideals I aspire to. We can but hope and go on dreaming.
