By Mike Tomkies

Whittles Publishing. Paperback. Book Condition: new. BRAND NEW, Running Wild, Mike Tomkies, You thought he was retired, even dead? No, he is back! At the age of 86, Mike Tomkies is back doing what he does best - observing our rarest and most dramatic wildlife, unsuspected and from close quarters, and writing about it with the kind of intimate detail that has earned high acclaim from critics and conservationists. Within days of arriving back from five years of studying bears, wolves and lynxes in Spain, he is up a wild cliff in Cornwall watching three peregrine falcon chicks from hatching to flying stage. We can follow his astounding adventures over the next ten years as he obsessively searches all through Britain for that elusive 'small wild paradise' so many of us would also like to find. He lives in, but finally loses, no less than six new homes in that time and the complications and reasons why are both hilarious and sad. Even more fascinating is his continual obsessive quest to get up close and personal with nesting goshawks, buzzards and ospreys, as well as mammals like fishing otters, a fox family and he even feeds wild badgers by hand....
