Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Large Print. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Ecclesiastes 1:10 Is there anything of which one can say? Look! This is something new ? It was here already, long ago; It was here before our time. The Missing Link explains how the brain is like the Garden of Eden that links us to Heaven or Jannah. It shows how the brain is master-piece vegetation constructed by the divinity, trinity and triune and trichotomy. How as beings we have enhanced wisdom, knowledge and understanding of the spirit, soul and body-flesh by contributing our quota to the development of our body systems and the ecosystem. The book also explains what happens when we abandon our relationship with triune and trichotomy, trinity, divinity. The book sheds light into how creation in the book of genesis is linked to the big bang. The book enlightens us about how positive and negative habits, substances, ions etc are like Staunton chess pieces and the two opposing players in sport games. The missing link describes how the brain heals by positive feel-good factor or negative feel-bad factor i.e euphoria and how the healing is balanced with negative and positive fast-forward or feedback feel bad factor and feel-good factor i.e dysphoria. The book allows the reader to check their relationship strategies and explore and compare their anatomy, physiology and biochemistry with their body-flesh, spirit and soul and comprehend how they are linked to divinity, trinity, nature and nurture. It sheds more light into how those who appreciate and apply the principles of the trinity, divinity, triune and trichotomy have developed themselves into higher advanced beings and enlightens health professionals about misconception that mental health service users have about their disabilities i.e victims who have and...
