New Generation Publishing, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.As Bible-friendly individuals, you are invited to explore the text of this book, which is destined to reflect on the true nature of many people in churches who are being misled into believing that they are following true spirit-filled churches. Unfortunately for some of these followers, it is too late when their lives have been destroyed because of false spiritual predictions being given them on promises in the name of Jesus Christ the True Living God. It is on this basis that the texts of this book shall focus on eight key values for exploration: The promise of Jesus Christ The Birth of true Church The prophetic ministry and the Holy Spirit Orthodox Churches not Spirit-filled Charismatics The true and false prophets The issue...
