Very few of us are leaders all the time, but we all encounter moments in our lives when we can and should lead others. Few people set out knowingly to become leaders; rather, they see a need and they find a way of taking on the challenge, and often others choose to follow their example. Based on the highly praised lecture that he has given to tens of thousands of people around the world, Dr. Sanjiv Chopra's *Leadership by Example* gives you memorable stories that illustrate the ten core principles of effective leadership. Drawing on his experience as a dean at Harvard Medical School as well as on the lives and teachings of great leaders throughout history, this inspiring book will help guide you to becoming a leader in your own life. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
