iUniverse, United States, 2003. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Is the longevity of the Catholic Church what Rome says it is? Were Christ s Apostles the original Catholics? Did Mary the mother of Jesus really help her Son to redeem mankind? Was the Gospel Jesus left to His disciples incomplete and in need of many additions to perfect it? This book, written by a convert from Catholicism to biblical Christianity, puts the chief claims and doctrines of the Catholic religion under the divine light of God s Word; searches for them in the halls of history; combs through the writings of apostolic fathers for evidence of their veracity. Chapter by chapter, Scripture by Scripture, the facade of holiness and patristic authority is peeled away, and the true apostate nature of Catholicism is exposed. For evangelical Christians, this work is a gold mine of information about Catholic doctrines and how to deal with the deeply embedded beliefs of those who call themselves Roman Catholics. To the devout Catholic, this book will be either a source of enduring anger, or a bright neon arrow pointing to the eternal, soul-saving Word of God.
