Murachs Dreamweaver CC 2014

By Zak Ruvalcaba

Mike Murach Associates Inc., United States, 2014. Paperback. Book Condition: New. 251 x 203 mm. Language: English . Brand New Book. With Dreamweaver CC, you can go from staring at a blank screen to launching your first website without writing any code and without ever leaving the program! All the tools you need are there. But any program that s so comprehensive is going to be complex. So the trick is mastering what all of the program s windows, panels, toolbars, and web technologies do and then incorporating all that with the design skills that you need to create your own websites. That s where this book comes in. In contrast to other Dreamweaver books, it integrates all of the skills that you need to build inviting, standards-compliant, and accessible websites. And it uses a proven instructional approach that makes all the pieces manageable. So you will learn how to: install and configure Dreamweaver CC; generate the HTML and CSS for a page in a way that s consistent with today s best practices (that includes the use of HTML5 semantics, external style sheets, and CSS3) interpret the generated code so you can tweak it as needed; use JavaScript and...

Reviews

An exceptional ebook along with the typeface applied was intriguing to read. It is definitely simplistic but unexpected situations within the fifty percent of the publication. You are going to like just how the writer publish this pdf.
-- Adeline O'Kon

The best book i at any time read. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this book to understand.
