Brand New Book ***** Print on Demand *****.Excerpt from Pilgrimages to the Spas in Pursuit of Health and Recreation; With an Inquiry Into the Comparative Merits of Different Mineral Waters: The Maladies to Which They Are Applicable, and Those in Which They Are Injurious The typography of this volume will prove that, although I must plead guilty to the charge of making a book, it has not been constructed on the approved principles of Book Making. By certain mechanical processes well known in the trade, this slender tome might have been easily expanded into two or even three goodly, or at least costly octavos, without the expenditure of a single additional line, word, or thought. But, bearing in mind the old Greek maxim that a great book is a great evil, I was determined that, should my lucubrations come under this head at all, the evil as well as the book should be on a small scale. Spa-going invalids have evils enough, God knows, to carry on their shoulders, without the addition of a Mega Biblion in their wallets. There is one defect in this work, however, which common honesty compells me to point out to the intending purchaser, before he parts with his money. If the travelling invalid expects to find here a catalogue of the post-houses, the signs of the inns, the prices of the wines, the fares of the table-d hotes, the pretensions of the cuisine, c. c. c., except upon very rare occasions, he will be woefully disappointed. All this species of information, and a great deal more, will be found in that excellent emporium of peripatetic lore - Murray s Handbook. But even this useful feature in the red-book, is not without its alloy....
