Leonaur Ltd, United States, 2015. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Wavre and the conflicts to the fall of Paris Histories of the Battle of Waterloo abound, but this three volume set, covering the entire campaign, is truly exceptional and unique. For anyone who knows anything of the subject, the author s name reveals all. A contemporary of the events, it was Siborne who built the famous model of the battle and he who corresponded with dozens of the soldiers who fought during the conflicts of 1815 in Belgium and France to create a huge resource of information on the final defeat of the First Empire of the French. The text is rich in detail concerning the activities of each of the protagonist forces making this format useful for those interested in vital events-often absent in other books-which took place both before and after the Battle of Waterloo itself. Leonaur editions are newly typeset and are not facsimiles; each title is available in softcover...
