The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.

1 PETER

InterVarsity Press, United States, 2011. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book. As a young church in a hostile environment, Peter's first readers found in his letter encouragement, not just for facing suffering, but for living responsibly in the world as faithful disciples of Jesus Christ. Christians today will also find in Peter's letter a wealth of practical counsel on how to conduct themselves in family and social life, as well as in relation to a society that makes it tough to follow Jesus Christ. In this invigorating volume from one of today's leading evangelical scholars, readers will find an introduction that discusses the letter's form, authorship, destination and primary theological themes, followed by a passage-by-passage commentary that always seeks to answer the question of what the text means for us today as well as what it meant for its original hearers. Students, pastors, Bible teachers and everyone who wants to understand Peter's message for the church will benefit from this excellent resource.
