Lulu.com, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.About Voiceless diaries.I started expressing writing my words beginning of January 2005, I found writing poetry was a way to express silence and a way to write down the words you always wanted to say. Myself and you all have those moments we think in a particular memory saying, I should have said this or said that, where were my words when I want to say it in this moment? , in this book are the best of my poetry from 2005 up to this day, from just thoughts to awards to a book between your hands today, I m not just talking from my voice in these pages I spoke out many silent voices, these poems printed in these pages are speaking out many voices in life, with different reasons. Hope my poems you hold between your hands are not just poems you read, hope they are your words when you wanted to speak, your lost voice when you needed most to sound, enjoy and thank you.
