

A Project Managers Storybook With Cases

By John Tracy

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 138 pages. Dimensions: 11.0in. x 8.5in. x 0.3in. A Project Managers Storybook (With Cases) was born of a need for a different type of companion book to the Project Management Body of Knowledge (PMBOK Guide), Edition Five. It focuses on experiential stories that make the PMBOK Guide come alive; delivers cases that are easy to read, relevant to today's classroom audiences and focused on producing key project artifacts; and delivers five PMP Exam review questions per chapter that also focus on those artifacts as well as PMBOK Guide Edition Five changes. For the reader wanting to learn what the business of project management is about or gain another perspective on its application and its meaning, there is a host of benefits that can be derived from the book and its experience-based vs. ivory tower focus. Real world case studies in areas such as planning for a wedding or completing a procurement plan and risk register when starting a new business leave the reader with useful tools after setting the book aside. For the reader wanting to pass the CaPM or PMP Exam, it is an easy...
