Reviews

Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

Musicarta Publications. Paperback. Condition: New. 230 pages. Dimensions: 11.0in. x 8.5in. x 0.5in. Pachelbels Canon in D major is an ideal vehicle for learning how to play a chord sequence. The Canons simple chords repeat under right hand melodic figures - perfect for learning about harmony and arranging, melody writing and improvisation. Each module in the Musicarta Canon Project adds a bite-sized piece to your own unique performance, showing you what to play and how to practice it. Much-loved and versatile, the Canon chord sequence forms the basis of numerous pieces of popular music, and you will be able to apply the keyboard and aural skills and theory learnt here to many other chord sequences going forward. Also available as a digital home-study download from musicarta.com, purchase of the Amazon edition entitles you to a free download of the supporting audio and MIDI files. Great for ambitious young keyboard players, classical cross-overs and adult piano re-starters/continuers, the Musicarta Canon Project is also perfect continuing education for semi-pro and pro musicians and an ideal supplement to traditional piano lessons. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
