

Handbook of Systematic Urinary Analysis, Chemical and Microscopical: For the Use of Physicians, Medical Students, and Clinical Assistants (Classic Reprint) (Hardback)

By Frank Melville Deems

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Handbook of Systematic Urinary Analysis, Chemical and Microscopical: For the Use of Physicians, Medical Students, and Clinical Assistants The following plan or method for the systematic examination of the urine, step by step, both chemically and microscopically, is compiled with the intention of supplying students of medicine, clinical assistants, and busy practitioners with a concise guide, which, from its small compass and tabulated arrangement, will serve both as a bedside reference-book and a work-table companion. While it cannot pretend to take the place of larger works upon the highly important subject of urinary analysis, the compiler hopes, from his somewhat extended experience as a teacher of this branch of physical diagnosis, that it will.
