## BUDGET BUCKS IN YOUR LAP: BECOME A MORE SUCCESSFUL WHITETAIL HUNTER ANYWHERE (PAPERBACK)

Story Merchant, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book was written for every hunter who wants close encounters with the nicest White-tailed bucks his/her hunting area has to offer. No sanctuary or game preserve deer are illustrated within. Every experiment was conducted on open to public hunting property. No agricultural fields, food plots, or supplemental feeding strategies were used either. Every experiment was conducted with no outside influences to lure the deer to the locations-other than my mock scrape making method and scent combinations. All the photographs contained are time and date stamped for authenticity with easy step-by-step instructions on how to get bucks to stand right in front of you in plain sight! You don t need pockets full of money or leased hunting property, or even private property, for that matter, to see nice whitetails. Anyone can see nice bucks anywhere whitetails roam. EXCERPT: We weren t supposed to be seeing this kind of stuff up here, I thought. But here we were, sitting on the hottest scrape around. At least eight different bucks had visited that one particular scrape. EXCERPT: Not just one or a few scrapes, rather, almost all became community scrapes if my mock scrape method was adhered to properly. EXCERPT: It s important to remember that right after the first buck places his scent on your scrape, it s now a natural scrape. EXCERPT: Misnomer: Deer will only respond to scrapes just before, during, or right after the rut. Bucks and does respond to mock scrapes before bow season even opens (October 1st in the North), which is several weeks before the rut starts. EXCERPT: Get your scrapes made early. Shortly after they shed their velvet is best, so you ll have a...
