GREAT HYMNS OF THE MIDDLE AGES (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Great Hymns of the Middle Ages Was within them, it was quite as certainly a reality toward which they strove diligently, for which they longed greatly, and in which they implicitly believed. This may explain the essentially impersonal attitude even in the later, strongly emotional poetry of which The Jubilee Rhythm of Bernard of Clairvaux is an example. Even in this the personal element is quite lost in the description of the visions vouchsafed to the blessed. It is a quality seemingly at variance with adherence to a system in which the saving of one's own soul is the first care, yet no analysis of self turns these writers from their celestial themes. There is no place in their minds for individual moods, such as color some modern devotional verse and make religion appear a salve for the disappointed rather than an inspiration for the hero. The thoughts of the mediaeval hymn-writers were fixed on the facts of their belief and on the theories of their theology, and life itself was in those days too precarious to leave room for fine questionings as to its lesser incidents of pleasure or of pain. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
