Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Winston Starling (illustrator). Language: English . Brand New Book ***** Print on Demand *****.A true story about a lovable little rabbit and the things that make him happy. Jamie s Garden is a happy book that your children will ask you to read again and again. Jamie will bring a smile to their face and yours too! Fully illustrated by artist Winston Starling. About the author: As a long time rabbit owner, I have experienced the joys and laughter from raising rabbits and seeing their individual personalities as they grow. Some are shy and others are very outgoing. Jamie was a special and very intelligent little guy. He continues to bring joy to everyone he meets. I have been blessed to have him in my life! Share his true story with your child. They won t be disappointed! About the Illustrator: Being a good artist mostly means you have the patience to keep erasing until you get it right. Ever since I was very young, I have always been drawing something. Seeing pictures in books, or watching a movie would cause me to grab a pencil and paper and start scribbling out my own version of what I had seen. Encouraged by my parents, especially my Mom, I continued to explore the world of art. Although I have never had any formal art training, I have devoured quite a few art, drawing, and anatomy books. Now, at age twenty-eight, and after much experimentation and practice, I have finally settled into what I think is a unique illustrative style. My major inspirations have been the works of Norman Rockwell, classic pin-up artists such as Gil Elvgren, and vintage advertising and illustration art of the early to mid-twentieth century.
