

Differentiating for Success: How to Build Literacy Instruction for All Students

Filesize: 6.12 MB

Reviews

This ebook may be worth getting. I actually have read through and i am sure that i am going to likely to read through again once more down the road. You will not sense monotony at whenever you want of your respective time (that's what catalogues are for relating to should you check with me).

(Mr. Golden Flatley)

DIFFERENTIATING FOR SUCCESS: HOW TO BUILD LITERACY INSTRUCTION FOR ALL STUDENTS

Capstone Classroom, United States, 2016. Paperback. Book Condition: New. 277 x 213 mm. Language: English . Brand New Book. Creating differentiated instruction is an essential yet time-consuming component of effective teaching. Since students learn at different paces and in different ways, some students may be able to apply a targeted comprehension skill in cognitively complex ways immediately after being taught the skill while other students may need additional scaffolding in order to grasp it. All students, regardless of their skill level, benefit from activities that are at their just right level not too difficult or too easy. In this book, Nancy Witherell and Mary McMackin share easy-to-follow lesson plans that address key reading skills for students in grades 3-5. A set of three, tiered, differentiated follow-up activities accompanies each lesson. Fiction and nonfiction mentor texts are included.
