Atlantic Publishing Co, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Love your cat, but hate its bad behavior? According to The Humane Society of the United States, body language, behavior, and vocalizations are keys to understanding the feline mind. If your cat seems to be constantly aloof or is exhibiting bad behavior, you may often wish you could speak directly to it about what it is thinking. Fortunately, you can communicate and understand your pet by studying its behavior and using the techniques found throughout this book. By observing a cat's body language and actions, we can guess at how it might be feeling. Want to know why your cat constantly hisses at strangers, frequently sulks, or attacks your feet while you are sleeping? How to Listen to Your Cat covers major aspects of feline behavior, including social behavior, protection of territory, hunting tactics, reproduction, and interaction with people and other pets. This book explores an array of behaviors often found in cats and what these behaviors should signal to their owners. Learning to communicate with your kitty can help you know when it's hungry, ready to play, content, or lonely. You will learn the importance of positive reinforcement, details on how a cat learns, how to develop a bond with your cat, and the basics of cat training. This book explores how to teach your feline friend to use the litter box, come when you call its name, and tolerate touch and grooming. Teach your cat useful behaviors, such as walking on a leash, sitting, staying, and standing, along with fun behaviors, such as shaking hands, begging, and fetching. Comfort, fright, and hunger are the main feelings displayed among cats. The feelings result in a variety of behaviors. This book provides a...
