Brand New Book ***** Print on Demand *****.Excerpt from Robert Louis Stevenson: A Life Study in Criticism So much has been written about Robert Louis Stevenson, and much of it, such as Sidney Colvin s article in the Dictionary of National Biography, and his admirable introductory chapter in Letters to his Family and Friends, is so excellently well done, that it may seem officious to add a stone to the growing cairn. But the present writer has one advantage, even over Professor Colvin, in that he knew Stevenson years before the editor of the Letters was aware of his existence. Louis brewed a peck o maut, and Colvin, Leslie Stephen, and Hamerton, and the rest of the world, cam to pree. But I claim to have been present at the mixing of the brew, and even to have had some hand in it, and pree d it when far from mature. To change the metaphor, I watched the plant when still in bud, before a single one of its perfect blossoms had freed itself from its green wrappages, and thence onward, till, in full beauty and splendour, it was cut down and blackened by the frost of Death.
