Outskirts Press, United States, 2006. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Say Learn This flip book contains a novel, effective and didactic method of Spanish* learning through word search puzzles with reading help using cognitive association of images, sound and text. First, you see the word you go to learn in Spanish* and the meaning in English. You follow the reading suggestions from a reading help column and repeat it verbally while you look for the term (in Spanish*) in a square word search puzzle of 196 letters. After you find the word in the search puzzle located on the top of the book, you write it under a picture located on the bottom of the page. All words, pictures and graphics are properly organized by topic to do the word search easier to you. This flip book has been created to improve the Spanish* learning with the words you use everyday in all kind of situations (i.e. supermarket, bank, office, doctor, health, family, etc). Therefore, with this system you have a valuable tool to learn how to say the words you need, using images and alphabetical sounds from your own language instead of being confused trying to read complicated etymological dictionary symbols. Easily, you ensure a full learning of meanings throughout the cognitive system in your brain. Yes. With this learning method, your mind associates the image with the repetition of the word pronunciation, the text you find in the search puzzle and the way you write it at the end of each exercise. Try it and be surprised how fast and easy you learn while you play. Say Learn is a powerful and strategic tool for teachers, an enjoyable and efficient option for students and a...
