Brand New Book ***** Print on Demand *****.Strong, independent Tami was a survivalist and mountain guide in 2014 when she was flung forward fifty years into a post-apocalyptic future where women are worth their weight in gold. She is taken by four men to be their wife, but when she escapes from them they hire the Tracker, a deadly loner from the Clan with a reputation for being able to track anything, to bring her back. But Tami knows how to ride and how to hide, and she leads him on a chase that rouses his admiration. Behind Tracker s stone-cold face is a man who yearns for a wife of his own. When he catches up with Tami and learns that she is not a willing wife, he knows he can t give her up.
