

NurtureShock: Why Everything We Thought About Children is Wrong (Paperback)

By Ashley Merryman, Po Bronson

Ebury Publishing, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. What if we told you, that dishonesty in children is a positive trait that arguing in front of your kids can make you a good role model and that if you praise your children you risk making them fail .and it was all true? Using a cutting-edge combination of behavioural psychology and neuroscience, award-winning journalists Po Bronson and Ashley Merryman have produced an innovative, counter-intuitive read that will change the way we interact with our children forever. They demonstrate that for years our best intentions with children have been our worst ideas, using break-through scientific studies to prove that our instincts and received wisdom are all wrong. NurtureShock is the Freakonomics of childhood and adolescence, exploring logic-defying insights into child development that have far-reaching relevance for us all.

Reviews

Absolutely among the finest pdf I have got possibly read. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Prof. Lois Cormier II

This is the best publication we have study till now. It is writter in basic terms and not difficult to understand. I am effortlessly will get a satisfaction of studying a written pdf.

-- Jasen Roberts
