Focus On Composing Photos : Focus on the Fundamentals (Focus On Series)

By Peter (Peter was the Director of Photography for Arizona Highways magazine for 17 years.) Ensenberger

Taylor & Francis Ltd Apr 2011, 2011. Taschenbuch. Condition: Neu. Neuware - As digital cameras and software packages become more advanced, seemingly by the minute, it has become easier than ever to overlook the basic elements which have always resulted in the best photographs, no matter how fancy (or primitive) the camera itself. Composition is the single most important aspect of creating great images, no matter what level of photographer you happen to be. No amount of digital wizardry can turn a badly composed image into a picture you would want to display. While many books on composition tend to overcomplicate the subject, this book breaks down everything you need to know into small, digestible chunks of information that you will actually remember once you're out and about taking pictures. Instead of plodding through long and complex pages of text, this book supplements the necessary information, such as the basics of the rule of thirds and how to get good highlights and shadows, with tons of gorgeous, full color images that actually show you what to do and how to do it, rather than just telling you what to try. You'll be amazed at the gorgeous images you'll create, whether...
