America Star Books. Hardcover. Book Condition: New. Hardcover. 304 pages. Dimensions: 9.0in. x 6.0in. x 0.8in.2046 AD The ISS exploration vessel Star Croix III sets voyage to a transversable wormhole located 3. 5 light years from Earth. Asserting tests with probes and monitors, the ship enters the vortex and is transported to the helium, M-31 galaxy Andromeda, which allows the crew a mere two hour cruise to the pristine planet, Altairia. The slightly-smaller-than-Earth planet is a magnificent world that offers the twenty-three scientists and Special Forces soldiers an amazing world for future colonists to visit. A world of glorious geophysical amenities, it acquires crystal-blue oceans and lower-order life consisting primarily of birds and insects. But a dangerous phenomenon of sorts ends the glory of the expedition, where upon trying to survive becomes suddenly more important than the expedition. Soon, they horridly discover they are the victims of an alien race who eventually capture and manipulate them, and then conduct strange and illogical examinations the crew must endure in order to ultimately escape. A point in the universe where time, reality and entropy exist as nightmares, they must flee this terrorizing planet, but more importantly, they must find a way to survive. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
