## GENGHIS KHAN (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Jacob Abbott was a well-known 19th century historian who wrote biographies on various ancient leaders, including this one about Genghis Khan. In a world fascinated by men like Alexander the Great and Julius Caesar, Genghis Khan is one of history's greatest and most famous conquerors. No man, before or since, has ever started with so little and gone on to achieve so much. From a noble family but raised in poverty that drove him to the brink of starvation, Genghis Khan rose to control the second-largest empire the world has ever known (the largest being, arguably, the British Empire of the 18th and 19th centuries), and easily the largest empire conquered by a single man. Because of this, Genghis Khan's portrayal in the West and the Middle East has been extraordinarily (and in many ways unfairly) negative for centuries, at least until recent revisions to the historical record. Certainly Genghis Khan was not a peaceful man, or a particularly merciful one, and he famously boasted to the Khwarezmids that he was the flail of God, come to punish you for your sins. However, the image of him as a bloodthirsty barbarian is largely the result of hostile propaganda. He was far more complex than the mere...
