

OSHA Instruction: Communicating OSHA Fatality Inspection Procedures to a Victim's Family (Paperback)

By U S Department of Labor, Occupational Safety and Administration

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. OSHA's mission is to assure the safety and health of America's working men and women by promulgating and enforcing standards and regulations; providing training, outreach, and education; establishing partnerships; and encouraging continual improvement in workplace safety and health as well as the development of comprehensive safety and health management systems. Effective and efficient use of resources requires careful, flexible planning. In this way, the overall goal of hazard abatement and employee protection is best served. This Instruction provides guidance to ensure OSHA communicates its fatality inspection procedures to the victim's family and facilitates the exchange of information throughout the entire inspection process.
