Janet McFail, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Our purpose for writing this book is to teach others to communicate with the GOD living in their body. We are providing practical ways and real life examples. Each Human s GODSELF or Spirit is an individuated form of GOD. Long ago all humans communicated with their GODSELVES. They were taught to honor and respect the POWER within them from an early age. It was the responsibility of, primarily, mothers, fathers and grandparents to teach the children to respect all life and to consult the GOD within for all decisions great and small. With the end of the Dark Age in December 2012 has come enough Light for this practice to return. What if you had access to the supernatural power of the GOD living in your body? Wouldn t life be easier knowing in advance if your decisions are in your highest and best interest? How would you like to always be able to verify truth from deception? This book proves 100 that we never ever die and provides in-depth instruction on not only communicating directly with GOD, but also how to end your endless reincarnation cycles. It is a gift from Heaven.
