HEALTH COMMUNICATION AND HEALTH LITERACY

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Perspectives of Health Practitioners and Adolescents in Malaysia | After presenting a model looking at the relationship between health communication and health literacy, the nature of this relationship is examined in the context of the HIV/AIDS programme, a peer health education programme for healthy adolescents. The programme is currently delivered in the context of national health promotion strategies largely framed by biomedical and bureaucratic principles within a multicultural and multiracial population....
