Efficient Alpha. Paperback. Condition: New. 150 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Cut through the scams and false promises in income strategies and investing books. You've seen the investing book titles. They start with, How to Make Money, and end with some ridiculous promise of a six-figure income or the words, from home. Search for How to make money with passive income in Google and you're blasted by more than seven million results. You can practically hear the swindlers screaming out at you from the screen. Making money on your investments is a powerful draw and ripe for all kinds of scams, scoundrels and shysters. But in the fiction, there's a little truth to be found. The truth that more than a few people have built massive success stories through the four most popular investing strategies. The truth that many of the strategies can be started in your spare time and require little cash to get started. This book is about that truth. How to Make Money from Four Income Strategies. The Passive Income Myth is your opportunity to cut through the BS and scams to see how to make money in four passive income strategies. Over more than two decades as an investor and an investment analyst, I have made money in each of the four investing strategies. Knowing what I have picked up over the last twenty years will save you years of time and will keep you from making the biggest mistakes in passive income investments. Each income strategy can be read separately or as a part of a complete wealth management system to make money and put together true passive investing income potential. In this book you'll learn: The exact process I used to make money blogging, more money than 81 of bloggers in less than a year...
