Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Our Changing Planet: The U.S. Global Change Research Program for Fiscal Year 2011 describes the activities and plans of the U.S. Global Change Research Program (USGCRP) established under the Global Change Research Act (GCRA) of 1990. The USGCRP coordinates and integrates scientific research on climate and global change and is supported by 13 participating departments and agencies of the U.S. government. This Fiscal Year 2011 edition of Our Changing Planet highlights recent advances and progress made by participating agencies and includes budget information on each agency's contribution. This report describes a program in transition. In accordance with the GCRA, the USGCRP agencies requested guidance from the National Research Council on how to best meet the changing needs of the nation to understand climate change and respond to its impacts, and the NRC responded with a 2009 report entitled Restructuring Federal Climate Research to Meet the Challenges of Climate Change. In accord with that report's recommendations, the USGCRP is undergoing a strategic realignment that will ensure that the science produced is maximally useful for decision makers at all scales. As described...
