By Margaret Reynolds, Jonathan Noakes

Vintage Publishing, United Kingdom, 2004. Paperback. Condition: New. Language: English . Brand New Book. In Vintage Living Texts, teachers, students and any lover of literature will find the essential guide to the major works of Iris Murdoch. Iris Murdoch s themes, genre and narrative techniques are put under scrutiny and the emphasis is on providing a rich source of ideas for intelligent and inventive ways of approaching the novels. Amongst many other features you ll find inspirational reading plans and contextual material, suggested complementary and comparative reading and an indispensable glossary. Featured texts: The Black Prince, The Sea, The Sea, The Bell I didn t realise just how good the series was until I started working closely with it. The questions are so thoughtful and probing-the texts really do occupy their own niche between guides purely for teachers and the ubiquitous student crib, and are much better than either Head of English, Newington College, Australia.
